

InDesign Advanced - 2 days

Medium course

The InDesign Advanced course is for those that have previously attended the Introduction course. You'll learn about nested styles, data merge, anchored objects, plus lots more. Using the skills learned in the Introduction class (or from experience), students will create complex documents and work with a variety of panels and tools to further understand the capabilities of this high-end design application. Certitec are sponsors of InDesign Secrets - supporting the design and publishing industry.

Our pledge

This course is guaranteed to be delivered by an Adobe Certified Instructor from Certitec - our pledge of excellence.

Overview

Imagine how understanding how to use InDesign's advanced features will revolutionise the way you work. This class provides the InDesign user the ability to hone their skills and move their knowledge of Adobe InDesign to an advanced level.

Who is this course for?

This class provides the InDesign user the ability to hone their skills and move their knowledge of Adobe InDesign to an advanced level, in order to further understand the capabilities of this high-end design application.
