

## After Effects Advanced + Adobe Certified - 3 days Medium course

For those that have taken the introduction After Effects course, this is a great next step. Learn advanced features like path animation and keying before focusing on expressions and 4D on your final day. You will learn how to mix a number of still images together to create a moving texture. Placing compositions into other compositions, using keyframes and layers, and effective rendering techniques will also be covered. On the last day, you will take the Adobe Certified Associate (ACA) certification exam.

### Our pledge

This course is guaranteed to be delivered by an Adobe Certified Instructor from Certitec - our pledge of excellence.
