

After Effects Advanced - 2 days

Medium course

This advanced course covers the more specialist After Effects features, a perfect progression for those that have completed the introduction course. Learn about path animation, 3D and more. You will learn how to mix a number of still images together to create a moving texture. Placing Compositions into other Compositions, using Keyframes & Layers, and effective rendering techniques will also be covered.

Our pledge

This course is guaranteed to be delivered by an Adobe Certified Instructor from Certitec - our pledge of excellence.

Overview

Master the more advanced concepts of Adobe After Effects and enhance your motion editing and compositing skills in just 2 days.
