

## Dreamweaver Intermediate + Adobe Certified - 3 days Medium course

For those that have previously attended the Introduction course, but want to become Adobe Certified, this is for you. Learn the more advanced features, before looking to achieve Certification status. We cover more detailed CSS, responsive design with break-points for various screens, creating web forms and jQuery. On the last day you will take the Adobe Certified Associate (ACA) exam.

### Our pledge

This course is guaranteed to be delivered by an Adobe Certified Instructor from Certitec - our pledge of excellence.

### Overview

Our Adobe Certified Instructor-led class will show you how Adobe Dreamweaver can be made simple. This course provides web designers with the knowledge and hands-on practice they need to enhance their knowledge using Adobe Dreamweaver and become Adobe Certified.

### Who is this course for?

This course is for existing users of Dreamweaver wanting to move-up to the next level of enhanced CSS, responsive design and jQuery. This course will also lead to the Adobe Certified Associate (ACA) credentials should you pass the exam on the Friday.

### View real-life delegate feedback on Adobe certification

See feedback from people who have become Adobe certified.

### Become Adobe Certified with Certitec

### Download the Certitec ACA Accelerator app to help pass your exam!

This course comes with our ACA Accelerator app which provides all the information you require to increase your chances of passing the ACA exam. It comes with exam tips-and-tricks, expert advice on how to take the exam and 70 simulator questions with live feedback - all inside the one app which becomes available for download 5-days prior to your course.

### What you will learn

- Designing layouts with CSS
- Responsive design
- Using libraries
- Creating web forms
- Javascript (jQuery) behaviours
- Enhanced interactivity
- Testing, maintenance and uploading your site
- Enhanced CSS

### Validate your new accreditation with digital badges and boost job prospects

Acclaim partners with the organisations that issue recognition, the people who earn it, and the employers who hire them. This means that when you become Adobe Certified - Acclaim can promote your new accreditation to social media channels such as Facebook, Twitter, LinkedIn so people and job prospects can see your qualification is from a verified source.
